

Grace Covenant Ministries

PRAY

.....

- For the community and families GCM serves. Many people in Jackson County live below the poverty line, making the services GCM provides invaluable.
- For all of the leaders who run programs at GCM and the children who attend them.
- For continued support to keep the programs at GCM going.

About the ministry

Shoe squeaks, basketball thumps, and happy children squeals echo through the air at Grace Covenant Ministries (GCM). GCM provides Bible camps, sports, art, and gymnastic camps, and programs for local youth in Jackson County, Kentucky. GCM executive director Tommy Miracle uses these opportunities to share Jesus with the people in the greater Jackson County area. GCM's goal is to be the hands and feet of Jesus in the community.

GCM's campus also meets the needs of Jackson County residents through two local thrift stores, a home-repair volunteer work program, a short-term homeless shelter, a school, a treatment center for at-risk boys, and a treatment center for men with substance addictions.
