Roll Call of General Synod

This list represents voting delegates submitted and confirmed by their sending bodies as of April 29, 2022. The number of voting delegates to which each classis is entitled is computed according to the Book of Church Order Chapter 1, Part IV, Article 1 (2021 edition, p. 69) and Chapter 3, Part I, Article 1, Section 1b (2021 edition, p. 107). Some classes are still finalizing their delegate lists, and additions, drops, or changes may still occur. A report listing updates to this delegate roster will be issued shortly before the General Synod meets in June.
