NEEDS:

July - South Sudan - Refugee Care Project

While new humanitarian crises continue to force the migration of marginalized people groups, the violent conflict in South Sudan has continued. The people of South Sudan are rarely in the current news cycle, but more than 4 million people are forcefully displaced, many of whom live in refugee camps in Uganda and other neighboring countries. In partnership with RECONCILE International, your gift will help facilitate peace and reconciliation, social cohesion, and trauma care services for South Sudanese refugees living in Uganda.

August - Greenhouse Youth Ministry - Japan

In a culture where adolescence can bring unbearable stress, the Greenhouse Youth Ministry in Yokohama, Japan, is critical in creating a safe place for Japanese youth to experience a Christ-centered environment of acceptance, forgiveness, and hope. Your gift will help more Japanese youth hear about the gospel, grow in their faith, and learn how to live in Christian community.

NEEDS CONTINUED:

September - Missionary Student Scholarships - Brazil

The Presbyterian Church of Manaus (IPM) desires to evangelize communities and villages along the Amazon River. One way the local church does this is through training and sending 100 local missionaries to riverside and remote villages to plant churches. Your support will provide education for local students to receive training at two missionary training centers in Manaus.

October - Hope English Medium School Tuition Grants - India

For decades, the RCA has partnered with the Geegh Nursery School in India to help young children get a start in their educational careers. But, what happens after preschool? You can provide scholarships for Geegh Nursery School students to continue their education at the Hope English School. Your gift of \$42 will provide a tuition grant for a student to attend school for a month.

November - Pokot Ambulance - Kenya

The nearest hospital to the remote and impoverished Pokot people is 80 kilometers away, which can take up to 6 hours to reach on the rough remote roads. Oftentimes individuals with major wounds, women in labor, or fatally sick patients are at risk of dying before reaching proper emergency care. Your gift to purchase a new ambulance will provide a reliable vehicle for transport and greatly enhance the quality of healthcare available to the Pokot people.

December - Support a Climber - Romania

Fara Limite Climbing Gym is a ministry run by RCA missionaries Felipe and Janelle deWaard-Silva. Here, they work with Roma youth in the Jiu Valley to build trust, perseverance, character, and courage through rock climbing. In a town where poverty forces many parents to move away for work, this ministry provides youth in the neighborhood of Dallas, Romania, an environment where they can experience safety and respect, develop life skills, pursue education, and come to know the love of Christ. Your support of \$40 a month sponsors one student climber and provides the resources needed to care for and witness to that student.
