## About the ministry

Living as a Deaf person in a hearing world can be isolating, lonely, and difficult. This is life for much of Jamaica's large Deaf population, one of the most marginalized people groups on the island. The Deaf are also one of the largest unreached people groups in the world.

After living on-island, Pat and Kara now hold leadership roles in the Caribbean Christian Centre for the Deaf (CCCD) U.S. office. CCCD provides the Deaf with accessible education, authentic community, and knowledge of the gospel through the operation of one Deaf village and three residential schools for the Deaf across Jamaica.
