PRAY

.....

- For victims and survivors of human trafficking in our communities that they experience hope, flourishing, and peace.
- For Mark, Amy, and Malcom, Jennifer's family, as they support her in this work.
- For the survivors living at Nancy's House as they work to overcome trauma, re-build their lives, and move toward independence.
- For strength and resiliency for Jennifer as she comes alongside survivors in their journeys and leads the Restorations staff team in their work.

About the ministry

Trapped, isolated, hopeless, hurting—these feelings are just a glimpse into life as a victim of human trafficking and sexual exploitation. Look closer and you will quickly discover that these victims and survivors live in your community—human trafficking happens closer than you think.

Jennifer is the Executive Director of Restorations Second Stage Homes, an organization in southern Ontario that exists to support survivors of sexual exploitation and human trafficking by providing long-term residential housing, survivor-led peer programming, and holistic care. Through Nancy's House and the Survivor-Led Peer Program, Restorations rejoices in each person's uniqueness; restores physical, spiritual, and mental wellbeing; and empowers individuals to step into their life's purpose.
