RCA Global Mission

JJ TenClay

PRAY

- For wisdom and strength as JJ and her family discern how God is calling them to serve refugees and displaced people around the world.
- For more individuals, congregations, classes, regional synods, educational institutions, and beyond to provide compassionate, Christ-like care for refugees and displaced people.
- For an end to violent conflicts, persecution, and other factors that lead to the mass displacement of people.
- For protection for the more than 100 million people currently displaced, and for Christians to be ambassadors of Christ for those who are seeking refuge.

About the ministry

Imagine fleeing your home due to threats to your safety and security. Imagine embarking on a dangerous journey across land or sea to ask for protection from another community or country, not knowing if they will welcome you with open arms, imprison you, or exploit you. Imagine living in overcrowded and poorly constructed refugee camps, not knowing if your daily needs will be met.

As Refugee Ministries Coordinator, JJ works with ministry partners locally, nationally, and globally to provide compassionate, Christ-like care for refugees and displaced people. She also educates individuals and congregations on global forced displacement and the people affected worldwide, and equips them to live out the biblical mandate to care for those seeking refuge.
