NEEDS:

January - Help Orphans and Vulnerable Children - South Africa

Your gift will provide our partners at Setshabelo Family and Child Services with the resources they need to help orphans and vulnerable children in Botshabelo, South Africa, find loving homes in their community.

February - Help Japanese Youth Hear the Gospel - Japan

In a culture where adolescence can bring unbearable stress, the Greenhouse Youth Ministry in Yokohama, Japan, is critical in creating a safe place for Japanese youth to experience a Christ-centered environment of acceptance, forgiveness, and hope. Your gift will help more Japanese youth hear about the gospel, grow in their faith, and learn how to live in Christian community.

NEEDS CONTINUED:

March - Support a Rock Climber and Be a Witness - Romania

In a town where poverty forces many parents to move away for work, the Fara Limite Climbing Gym ministry provides youth in the neighborhood of Dallas, Romania, an environment where they can experience safety and respect, develop life skills, pursue education, and come to know the love of Christ. Your support of \$40 a month sponsors one student climber and provides the resources needed to care for and witness to that student.

April - Train Indigenous Missionaries - Brazil

The Presbyterian Church of Manaus (IPM) desires to evangelize communities and villages along the Amazon River. One way the local church does this is through training and sending 100 local missionaries to riverside and remote villages to plant churches. Your support will provide education for local students to receive training at two missionary training centers in Manaus.

May - Share the Gospel with Impoverished Children - Philippines

Every week, hundreds of children living in the urban slum of Davao City, Philippines, gather to attend Sidewalk Sunday School. Through skits, singing, and games, program coordinator Melody Joy Milloren and volunteers from her local church and community share the love and truth of Christ with the often impoverished children. The ministry has also seen how raising up the younger generation in the faith is reaching their parents and the larger community as well.

June - Bear Christ's Witness through Medical Ministry - Niger

Providing quality healthcare to their underserved Muslim neighbors is how our partners in Niger, love their neighbors. A 24-hour health clinic in Niamey and a clinic in Dogon Dutchi serve as the main points of care and outreach. In collaboration with local universities, the medical ministry also trains and equips medical students. Your gift will subsidize the medical needs of the ministry and bear Christ's witness in the process.
