

## February 2024

Dear Friends,

First of all, we wish you a blessed New Year 2024 and “for those who wait upon the LORD shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; and they shall walk and not faint.” Isaiah 40:31

Our ministry is still functioning, so we are so thankful to God and to you for your financial support. With your financial support, we were able to secure a meal a day for each child and thus keep the children in school for the whole school year. Eight of them went from preschool to primary, six from primary to high school, and two finished their high school studies and are looking towards going to college in 2024. Thanks to that one meal a day that we together (you and us) provide from Monday to Friday—that made a difference in the lives of these children. We hope the Lord will continue to help us serve the needy in our area.

On our last river trip, we couldn’t reach to Makantakita, the last village. Debris blocked our way so we couldn’t reach them.

Last Christmas we were blessed with the donation of a pig so the children had nice pork meat to eat for Christmas. Before their dinner, we shared with them the Christmas story and sang beautiful Christmas carols together.

On the other hand, we formed a choir with the staff and gathered the elderly ones from the neighborhood in the feeding center and provided them with a nice Christmas program and a package of food. Minutes later, we went caroling to different shut-in homes and gave them their food packages.

Would you like to receive these updates digitally? Please email Kelli at [kgilmore@rca.org](mailto:kgilmore@rca.org) to be added to the email list. You will receive more timely updates from the missionary you support and help us be good stewards of our resources.

Please pray for the feeding centers, the Tabitha Home staff, the medical brigades, and the pastors and midwives. As I write this, I remember that recently one of the elderly pastors who used to attend our training has died. Please remember his loved ones in your prayers. Lastly, please pray for our two girls Abebja and Abayomi.

May the Lord bless you and keep you and make his face shine upon you and give you peace.

In Christ's love,

Adrian Bobb and Bernardeth Kelly
