### **Spring and New Life**

*"For you have been born again, but not to a life that will quickly end. Your new life will last forever because it comes from the eternal, living word of God." – 1 Peter 1:23 (NLT)*

The signs of spring are emerging in Appalachia, with daffodils blooming, robins being observed, and peepers being heard. The arrival of volunteer groups on campus is a very welcome sight. This year's first group hailed from Justice For All (IA). They built a ramp for a lady who could not access her home without it. They also erected new signage around campus. Our thrift store also benefitted from their dedicated labor.

We thank you for helping us share Christ's love one opportunity at a time. Christ's love for us was evident on the first Easter. We hope that you will have an opportunity to share His love during your Easter Celebration. Together, let us share the good news that HE IS RISEN!
