

June 2024

Dear Friends!

iHace rato! It's been a while, and we are very grateful for your interest and support in our ministry. We recently discovered that some people who signed up for updates through the RCA website are not receiving our monthly updates.

As we near the end of another semester at the Biblical Seminary, we are thankful for the opportunity God has given us to help shape leaders for the church in Colombia and across Latin America. We are privileged to walk alongside students as they delve deeper into Scripture, embrace the life-giving truths of the Christian faith, and become disciples capable of leading faith communities in God's mission.

We send out monthly updates to share more about our ministry's impact. To stay informed and support us through prayer, please sign up using the following link: <http://eepurl.com/gR10cf>

While you await our next update, here are some highlights from the first half of 2024. Click on the titles to read more!
