

## August 2024

Dear friends,

How is everyone over there? We are all doing well with the help of God almighty. This mid-part of the year has been a mixture of pain, joy, and sorrow. Pain because in May, Bernardeth went through surgery to remove some small stones from her gallbladder; Joy because her surgery was successful and she feels completely healed; and sorrow because our pretty animal, a Rabbit, died. But the good news is that Jesus still leads on.

The feeding program is still functioning. The number of children has decreased a little bit due to different reasons but we are still feeding above 150 children. Currently, they are on mid-term vacation from school and will be returning to classes on the 29th of July. Our rural community students went back home to enjoy their vacation with their families. Please pray for them as they enjoy their vacation.

We were able to hang a new gate with the help of some sisters from Rockford church in Michigan.

The pastors' and midwives' training continues. We had one already in the early part of this year and we had another one during this week. Please pray for all of these people.

*Would you like to receive these updates digitally? Please email Kelli at [kgilmore@rca.org](mailto:kgilmore@rca.org) to be added to the email list. You will receive more timely updates from the missionary you support and help us be good stewards of our resources.*

We are preparing for another river trip with the medical team to the small communities along the river. Please continue to pray for our safety.

Our two daughters, Abebja and Abayomi, are doing well. Abebja is doing her medical practices in a private hospital in Masaya City in the Pacific and will be finishing in September. Abayomi is in California working as a dental assistant while studying to become a registered dentist. Please lift them up in your prayers.

Please pray for the staff of our institution, TABITHA'S HOUSE, and us. May the Lord continue to bless you as you bless the poor and needy here in Bluefields and the surrounding areas with your money and prayers.

May the Lord Bless you now and forevermore.

The Bobb-Kelly's
