Encouraging the Next Generation!

“Teach them to your children. Talk about them when you are at home and when you are on the road, when you are going to bed, and when you are getting up.” Deuteronomy 11:19 NLT

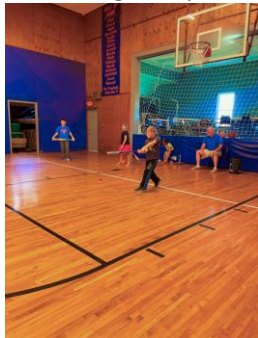

Dear friends,

As we wrap up another successful summer camp season, we can't help but feel a sense of pride and accomplishment. The students have returned to their classrooms, but the impact of our camps lingers in the community. It's a time to reflect on the positive changes we've witnessed, prepare for the upcoming fall activities, and start planning for the following summer. We are grateful for the overwhelming support that made these camps a success, and we look forward to continuing our mission with your help.

Campers were told that they were not alone in their battles. They have a friend in Jesus who will never leave or forget about them. Reading God’s Word and dialoguing with him through prayer was emphasized. A highlight was that at the end of dance camp, residents of a local nursing home were invited to watch campers perform what they learned during the week. The residents and the campers shared a meal and did crafts together. It was a high point of the summer for many of the residents and campers. We desire that the campers will continue to find joy in worshipping and serving our Lord, a joy that uplifts and inspires us all.

Thank you to each of our supporters for making these camps possible. Your support allows us to provide services like these at a cost their families can afford.
