Join a multi-generational group on a life-changing journey with RCA Global Mission and our partners at the American Mission Hospital, Al Raja School, and the National Evangelical Church of Bahrain (ELC). This trip focuses on fostering intentional relationships across ages. Participants will explore the rich history of the RCA's ministry in the Gulf and witness its current vibrancy.

On this trip, you will have opportunities for cross-cultural and interfaith experiences, with daily dialogues and communal meals featuring local and international cuisine. Before you go, you will receive spiritual and cultural education and tips on how to apply what you learn when you return home.
