

# Grace Covenant Ministries

## PRAY

.....

- For the community and families GCM serves. GCM is a beacon of hope for youth and their families in Jackson County.
- For the safety and health of GCM staff and volunteers who tirelessly labor to share Jesus's love, one opportunity at a time.
- For GCM to continue to seek new ways to share the love of Christ while always staying centered in the work that God is blessing.

## About the ministry

Shoe squeaks, basketball thumps, and happy children squeals echo through the air at Grace Covenant Ministries (GCM). GCM provides Bible camps, sports, art, and gymnastic camps, and programs for local youth in Jackson County, Kentucky, and surrounding areas. GCM also assists area residents with home repairs, outreach programs for veterans and inmates, a Christian school, residential treatment center for at-risk boys, and a vibrant thrift store ministry.

GCM executive director Tommy Miracle and staff use these opportunities to share Jesus's love with the people in the greater Jackson County area. GCM's goal is to be Jesus's hands and feet in the community.
