

Thank you for supporting RCA Global Mission! Your gifts to the following needs will help share God’s love with the world in word and deed. Each fund has been selected based on where funds are needed most. For more information on a specific need, please reach out to Kelli, Coordinator for Global Mission Communications and Marketing, at kgilmore@rca.org. These needs cover each month for the first half of 2025.

GIVING OPTIONS

Online: www.rca.org/global-mission/support.

Don't see the fund you'd like to give to? Use the search function at the bottom of this webpage.

By phone (U.S. only): Call Terri Boven at 616-541-0835

By mail: Please send your check, made out to “Reformed Church in America,” and designated to the specific need, to Reformed Church in America, Attn: Finance Dept., 4500 60th St. SE, Grand Rapids, MI 49512, or, in Canada, to Regional Synod of Canada, PO Box 1583 STN Main Woodstock, Ontario N4S 0A7

NEEDS:

January - Help Orphans and Vulnerable Children in South Africa

Unemployment, poverty, and health-related stresses in Botshabelo, South Africa, make parenting more difficult and can lead to child abuse and abandonment. Your gift provides for the medical, nutritional, and educational needs of a child and supports their foster family in the process for one month. During this month, Setshabelo Family and Child Services works to improve the child’s situation, either by supporting the family to prevent separation or by finding a loving adoptive family.

February - Rwanda - Student Support

In the rural community of Nyanza, Rwanda, many families face extreme poverty, making it difficult to afford basic educational necessities for their children. The Nyanza Peace Academy is committed to bridging this gap by providing essential support to underserved primary and high school students. Your support empowers children on the margins to learn in a stable environment, stimulating a bright mind eager for knowledge and nurturing and cultivating the future leader and community member God has called them to be.

NEEDS CONTINUED:

March- New Initiatives Fund

In a world that is always changing, new opportunities for mission surface often. The reality is, many of these initiatives struggle to get off the ground without an initial source of funding. Giving to the new initiatives fund means you believe in funding the early stages of the yet unknown mission opportunities God will present. Your gift helps us continue to follow God's call to strengthen and grow the global church through areas of compassion, developing leaders, and sharing the good news in new and innovative ways.

April- Plant Churches in Nepal - Jibit Asha

Around 90,000 Nepali-speaking people groups have settled in the U.S. They are primarily Hindu or Buddhist. Only 1.5% of the population of Nepal is Christian--the fields are ripe for harvest! Through your support, RCA Missionary Yakuv Gurung, in partnership with Jibit Asha, will train leaders and planters to start a Reformed church-planting movement that brings holistic change in Nepal. A gift of \$300 will train 15 planters for a month.

May - Medical Doctor Support in Brazil

Three medical mission boats serve as outpatient clinics along the Amazon River, providing medical care to many people who do not have adequate healthcare. In the midst of scans, checkups, and medicine disbursement, doctors share the gospel of Jesus Christ. Your gift helps provide a doctor on a medical mission boat and spread the gospel in remote areas where many don't know God yet.

June - RCA Global Mission

RCA Global Mission has been serving those most in need for over 375 years. Our goals have stayed consistent--to share the love of Christ through acts of compassion and partnerships with local churches that help strengthen and grow the global Christian church. Your gift to Global Mission General provides opportunities to support staff and our partners and respond to immediate and unforeseen needs.
